**OUR MOTTO: THE NEED OF THE
TIME IS THE WILL OF GOD**

Mission in the world: We are dedicated to socio-charitable works: In health-care, in schools and other areas of education, in passing on the Christian faith. The way we put our mission into practice varies according to the time, place and social environment

Rooted in God through common and personal prayer: We allow ourselves to be formed through the Word of God, in the Liturgy of the Hours, the Sacraments and Meditation.
